Body text printed in Times New Roman, 11 pt. Throughout this book, double quotation marks (“”) are used for “*quotations*” (set always in *italics*), single marks (‘’) for otherwise non-emphasized text of ‘so-called’ and ‘so-to-say’ character (except when used for quotations inside quotations). Quotations are introduced once with a single “-mark and ended with a ”-mark (to break with the American tradition to introduce every paragraph in a quotation with a “-mark, but never closing it, which, strictly speaking, is an “*unterminated string error*”). Entire sentences or paragraphs of quoted text are rendered in 10 pt font and left indentation. Any addition to quoted text is rendered non-italic and surrounded by [brackets], so are added omission ellipses [...], which could otherwise not be distinguished from ellipses in the original. Titles of books and journals are set in italics without quotation marks. References have the order: a) books: author(s)/editor(s), *title*, [volume,] [edition,] [publishing house,] town year[, pages]; b) journals: author(s), [*title of article*], *name of journal*, volume[(issue)] (year)[, pages] (items in brackets optional). All references to the original English version of Hilberg’s book were added by the translator.
